The 20th Anniversary for Carrboro Plaza Vet Clinic is upon us. If you have any great stories or photos about our clinic send them to carrboroplazaveterinaryclinic@gmail.com

Meet the Staff

Meet Katie. She knows all the ins and outs of the veterinary clinic. She has worked with us as a kennel technician, recently as a receptionist, and is on her way to vet school in the fall. And most importantly, as seen here, she has the love for animals that it takes to do the job right. Make sure to say hey next time you're in the clinic!

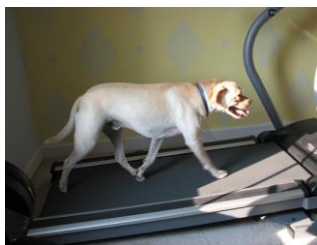

Ever considered volunteering for the Orange County Animal Services Board?
